

# Supreme Tape

## No. 1182 Colored

We have developed a color version of Evercel OPP tape.

Its functions and qualities are the same as those of Evercel OPP tape No. 820EV. We have used all 6 color variations. For packages where image is important, we have tape to meet your diverse, distinguished needs.

### Usage

- Packaging cardboard boxes with automatic sealing machines
- Packaging for export
- Products where image is important

### Performance

| Test items                 | Unit              | No.1182 Colored |
|----------------------------|-------------------|-----------------|
| Thickness of tape          | mm                | 0.052           |
| Thickness of base material | mm                | 0.03            |
| Adhesive strength          | N/10mm (g/10mm)   | 2.7 (275)       |
| Tack                       | Ball No.          | 12              |
| Unwinding force            | N/10mm (g/10mm)   | 0.85 (86.7)     |
| Tensile strength           | N/10mm (K g/10mm) | 45.8 (4.67)     |
| Elongation                 | %                 | 125             |

\* The figures in the table above are measurements and are not guaranteed values.

### Specifications
